A NEW MATTRESS MEANS YOU SLEEP BETTER FOR LONGER AND WILL HAVE MORE ENERGY.

Are you one of thousands in the UK that are sleeping on a poor quality mattress?

It could be having a significant impact on your daily life by causing tiredness, back pain, sleepless nights and much more...

THE BENEFITS OF A NEW MATTRESS TO YOU

You'll literally notice the difference overnight! From the moment you lie on it, to when you wake up in the morning, a new mattress will transform your whole body and your mood too.

- You'll sleep better for longer**
- Fall asleep quicker and easier**
- Wake up feeling far more refreshed**
- Aches and pains will simply fade away**
- Well rested you'll feel happier in yourself**
- You'll find you have more energy**
- Handle the stresses of the day much more easily**

A University scientific study found that participants with mattresses five years old or older reported significant improvements in sleep quality and comfort when sleeping on a new mattress, regardless of the sleeper's age or weight. Is your mattress having a negative effect on your lifestyle? Perhaps it's time to change, improve your sleep, improve your energy and zest for life.

Is your Mattress Making Your Life Miserable?

Take this short quiz to find out.

- I feel exhausted in the morning and need a nap during the day
- My back and neck are stiff, sore or tight and I have numbness
- I have trouble concentrating and my work is suffering
- I feel like I never get enough sleep
- I'm grumpy and irritable (more than I should be)
- I sleep better in every other bed but my own
- My mattress is at least 5 years old or feels lumpy and saggy
- Whenever my partner moves it wakes me up
- I have terrible allergies that get worse in the morning
- I have trouble falling asleep or staying asleep
- I toss and turn and just can't seem to get comfortable.

If you answered 'YES' to 1 or more of these statements, come in to Hamseys today and let our expertly trained Mattress Matchmakers help you select the bed of your dreams!
